

# CHARLES W. SORENSEN, MD, FACS

Executive Coach

---

Charles W. Sorenson, MD, FACS, is President and CEO Emeritus of Intermountain Healthcare and the Founding Director of the Intermountain Healthcare Leadership Institute, a position he assumed in October 2016. He recently joined MEDI as an executive coach and brings with him deep and rich experience in the industry. Dr. Sorenson served as President and CEO of Intermountain Healthcare from January 2009 until his retirement from this position in October 2016. Prior to that, he served for eleven years as Intermountain's Executive Vice President and Chief Operating Officer.

Dr. Sorenson has a long-standing interest in clinical process improvement and in the development of Intermountain's integrated delivery system. In 1994 he was one of the founding members of the Intermountain Medical Group, an integrated practice of approximately 1,500 physicians and advanced practice clinicians employed by Intermountain, and served as the founding chair of the Medical Group Board from 1994 to 1998.

Under Dr. Sorenson's leadership, Intermountain Healthcare implemented a disciplined and system-wide focus on best clinical and operational practices aimed at producing measurably better outcomes for patients at costs that are sustainable to the communities Intermountain serves.

In addition to his administrative responsibilities, Dr. Sorenson has continued to be involved in the practice of urologic surgery at the Intermountain Medical Center, with a primary focus on urologic oncology. Dr. Sorenson and his wife, Sharee, reside in Salt Lake City and are the parents of four adult children.

Dr. Sorenson completed his coaching certification through the Columbia Coaching Certification Program (CCCP)..
