

# RACHEL MILLER, MD

Physician Leader | Executive Coach

---

A certified executive coach and physician leader, Dr. Rachel Miller is passionate about bridging the gap between clinical and executive leaders. She also has a passion for emotional intelligence and believes that systemic change comes from developing leaders and executives.

Prior to starting her coaching practice, Dr. Miller served as a department medical director of CaroMont Medical Center. Her leadership experience involves the merging of independent practices into one larger group, clinical quality improvement, implementation of an OB hospitalist program, clinician recruitment, and department communications.

After completing her Doctor of Medicine degree at East Carolina University, she completed her obstetrics and gynecology residency at Vidant Medical Center. Dr. Miller earned her executive coach certification from the Center for Executive Coaching.

Dr. Miller lives in Charlotte, North Carolina, along with her incredibly supportive husband and two wonderful daughters.
